

MyHomeChoiceFyldeCoast Homelessness

I am currently homeless or at risk of becoming homelessness in the next 56 days, what should I do?

In many cases, we can work with you to prevent your homelessness and this is something the Local Authorities within the MHCFC partnership will look at as a first option. However, you need to get advice and information as early as you can.

Where else can I get advice?

Shelter provides excellent advice online and through their free housing advice helpline 0808 800 4444 or www.england.shelter.org.uk
